

Camp WorldLight

Matthew 5:14-16

Camp WorldLight's Family Camp will offer family time and a taste of our week-long summer camp experience. You'll find something for everyone:

- * age appropriate activities for children of all ages
- * biblical teaching from outside speakers and our great staff that is relevant to each person individually and to your family as a whole
- * games and activities that involve the whole family (feature nights, swimming, games, etc.)
- * a breakfast cookout
- * a cultural immersion experience to learn all about what missionaries do in Brazil
- * the list could go on!

Plenty of worship, family fun and relationship building are all part of our Family Camp.

**Come enjoy Family Camp and
make memories that will
last a lifetime!**
